Not tonight, Ed, I'm up to my knees in work!

Hi!
Hoglund

GIRLIE CHUCKLES

MOTHER: Didn't I tell you not to let boys into the house when I'm away?" "It makes me worry."

DAUGHTER: "It's okay mother." I went to his apartment when his folks were out." "Let his mother worry."

★ ★ ★ ★

BACHELOR: "Where are my gloves?" "I have a date tonight."

VALET: "Sir, you said you had a date and I thought you would feel better without them."

★ ★ ★ ★

Two men met in the garment center. "How's business?" one asked.

"How's business?" answered the other queringly. "This business is like sex. When it's good, it's great. When it's bad . . . it's still pretty good."

Another complete check-up? But that's the third one today!

Er, ah, I think you can put up the collateral Miss!

I made a mistake before I went out with Joe tonight. I put on the perfume I wear when I go out with that bashful Hummel boy!

I'd like to insure a couple of things!

YAKS and GUFFAWS

Man pounding at door of Asylum stammers out as guard opens door: "Did one of your inmates escape?"

"No, Why do you ask?" queried the guard.

"Because someone has just run off with my wife," he replied.

★ ★ ★ ★

An eminent lecturer took a forthright stand on the subject of matrimony. Someone once asked him, "Do you believe in clubs for wives?"

"Certainly," said the lecturer, "if other means of persuasion fails.

★ ★ ★ ★

Women's styles may change but their designs remain the same.

★ ★ ★ ★

Don't tell those jokes in front of junior
They'll come back in ways to ruin ya.

Meet Zeb Zylze, the last man in the phone book!

Oh, I know! We'll pull straws for him!

We'll be late for the party! Aren't you almost undressed?

Hobby! I thought you said get a new hubby!

Officer, will you stop all but that tall handsome one from following me?

SLAPHAPPY

My girl friend is like an English joke . . . I don't get it.

★ ★ ★ ★

Once a King, always a King. Once a Knight is enough.

★ ★ ★ ★

She was the type of girl he offered a ride in a convertible . . . Castro, that is.

★ ★ ★ ★

I got this medal in the Army. A General gave it to me for saving two women . . . one for him and one for me.

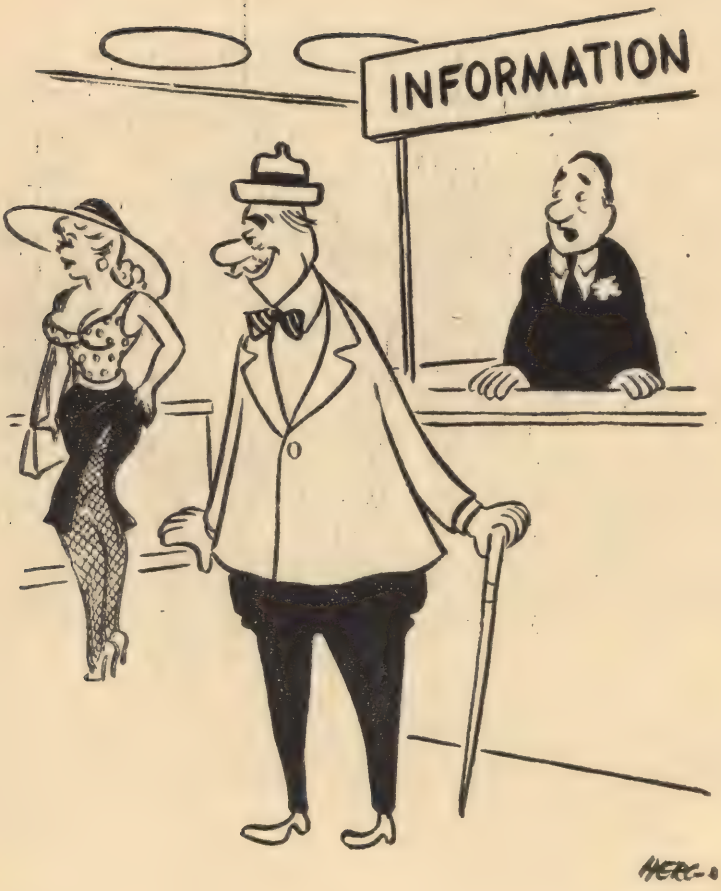
★ ★ ★ ★

The difference between an old maid and a bachelor girl is simply this: A bachelor girl never got married. An old maid never got married or anything.

★ ★ ★ ★

Then there was the old maid who found a hobo under her bed and felt bum all night.

What a coincidence, you're a G-Man and I'm a B-Girl!



For your information it's ten dollars.

The TV set goes with the room. But keep it turned down . . . we have such thin walls!

We're so madly in love, Doctor, it scares us!

Would you like something nice in lawn furniture. . . .?

Dance-Smance!—I only got a 12-hour pass!

A FEW FAST ONES

The elephant lives about fifty years,
He knows nothing of wine and beers.
The ass and goat at 20 die.
They never tasted scotch or rye.

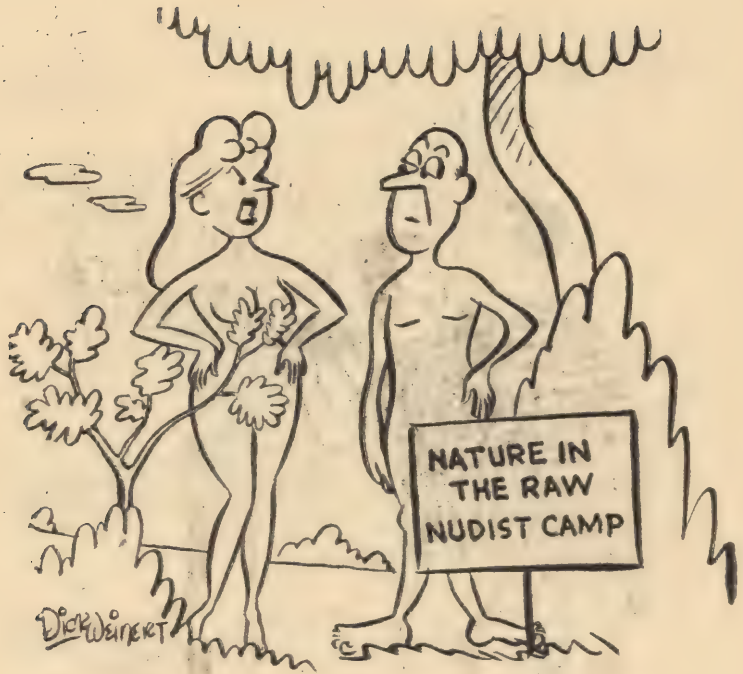
They all drink water by the ton
You must admit it ain't much fun
The jungle beast soon cashes in
Without a drop of ale or gin.

The scaly fish in water soaks
And never hears of corny jokes.
All animals are strictly dry.
They live clean lives and early die.

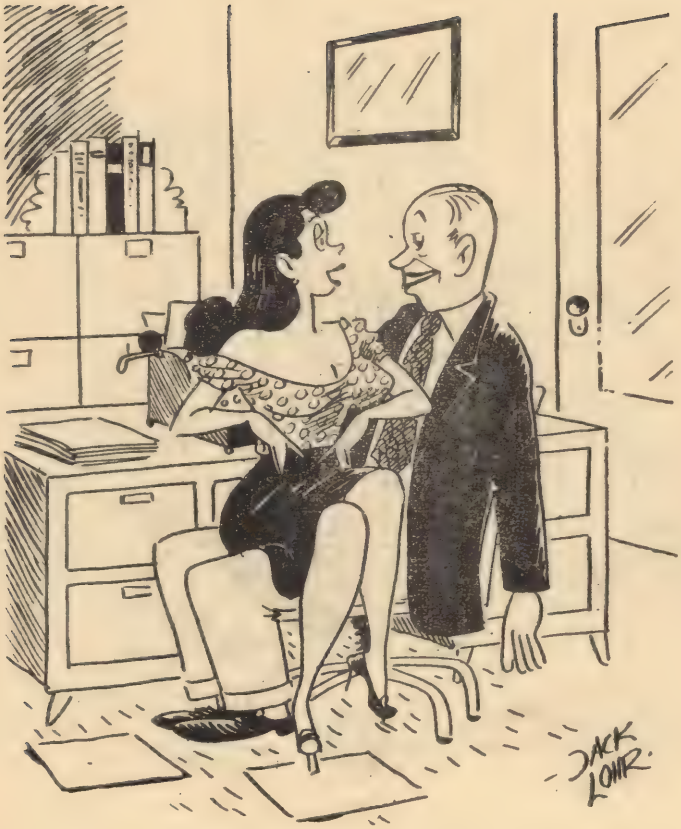
But sinful, ginful, rum-soaked man
Outlives the beasts by three score and ten.
And some humans though mighty few
Stay pickled until they're ninety-two.

The last page of your books are so exciting why don't you write a book of last pages?

Alright you say it's a bathing suit, I say it's tan!



I beg your pardon—I don't know you from Adam!



Are you sure that's the touch system, sir? I thought you had to use a typewriter!

GAS

A JOLLY GOOD ONE

TEACHER: "If there are eight flies on your desk and you kill one, how many are left?"

WILLIE: "One, the dead one."

★ ★ ★ ★

"Stupid girls count on their fingers," said the teacher to Mary who was doing her math problem.

"Yeah and smart girls count on their legs," shouted out little Willie, ever the problem child.

★ ★ ★ ★

"What's the most important thing about nitrates," asked the teacher.

"They're cheaper than dāy rates," replied the class wit.

★ ★ ★ ★

"Will you explain to the class what syntax is," requested the teacher of the pretty coed.

"Me," "How would I know?" "I didn't even know one had to pay taxes on it."

We're wasting time; do you or don't you.

Would you like to go to work on my body?

What do you mean I'm not going to have a baby but would I like to have another try at it?

TUNNEL OF LOVE

C'MON! C'MON! Get a wiggle on!

I didn't say, 'Yes', I was just getting sleepy and my head nodded!

HALF BAKED WISE CRACKERS

Girls with bulging curves in places
that brings awed looks on passing faces

Often wear on these and those
The most awful tight fitting clothes

★ ★ ★ ★

A TOAST

The wind may kiss the trees goodbye
A bee may kiss a butterfly
The sparkling wine may kiss the glass
And you my friend . . . farewell.

★ ★ ★ ★

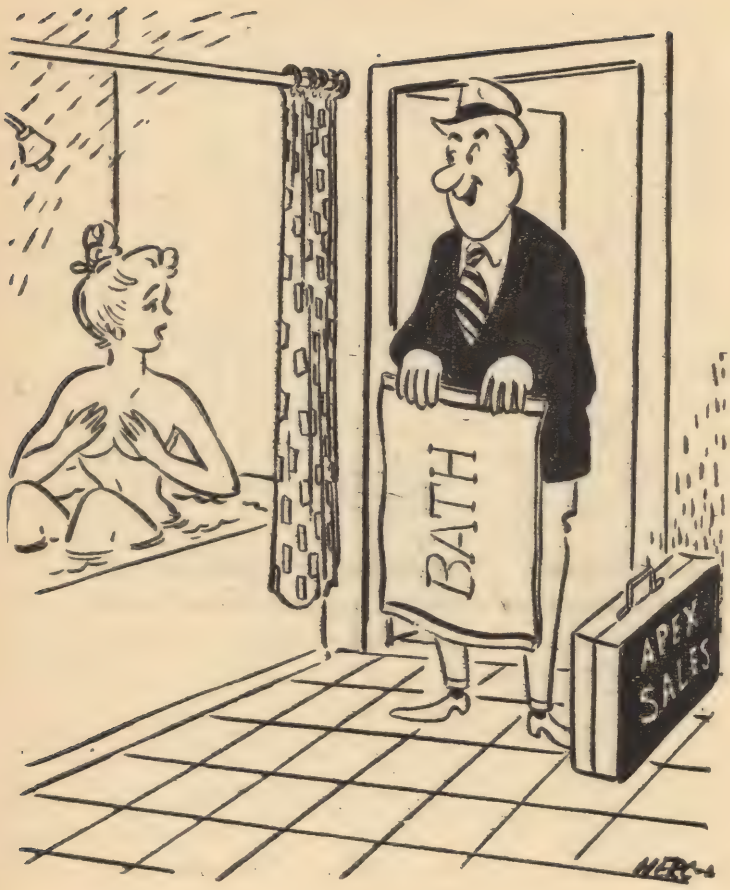
Men often make passes at girls who hold glasses.

★ ★ ★ ★

Give me the old fashioned girl . . . one old fashion after another.

Be reasonable, Hal, you can't expect us to break up this mother and daughter outfit!

It's the kind of a gown they'll never notice you lisp in!



Good day madam, wouldn't you like to step out on a nice bathmat like this?

LAUGH QUOTES

I always get the last two words in at the end of any argument with my wife . . . "Yes, dear."

★ ★ ★ ★

A man who slew his mother and father pleaded the mercy of the court on the grounds that he was an orphan.

★ ★ ★ ★

The old maid exclaimed. "What do I need a husband for?" "I have a dog that growls all dag, a parakeet that cusses, a stove that smokes and spews ashes all over the place and a cat that stays out all night.

★ ★ ★ ★

"Teacher," said the little boy, "I'm in love with you and want to marry you."

"Don't be ridiculous, sonny," exclaimed the teacher. "It's true I'm not married and hope to someday but I don't want a child."

"We'll be careful," he replied instantly.

Be back in a minute, I think I forgot something!

I'm going out with you tonight in her place, young man, to see if you're a gentleman!

But, Mabel, I didn't do it, I *know* better than that!

EAGER LAUGHS

There's one good thing about being fat says Betty Broadtail. "I always know where the ashes from my cigarettes fall.

★ ★ ★ ★

A back view of a fat girl dancing the rumba looks like two cats fighting in a sack.

★ ★ ★ ★

"Why do you want to be a proofreader," a publisher asked a shapely young lady . . .

"It's the only reputable work I can do in bed," she replied smiling.

★ ★ ★ ★

Help Wanted Male

Girls seeking husband needs help. None other need apply.

★ ★ ★ ★

Floradora, shy and queer
Put itching powder in mother's beer
When mother busted out in itches
She booted Floradora's britches.

Hate to bust in on a stranger like this, but all the hotels in town are jammed by the convention—mind moving over?

They said unmask, not undress, stupid!

I wonder, dear, did you turn the car headlights off?

OPTOMETRIST
Haggblund-

Darling, your kisses set me aflame!

You men wouldn't be so *smug*, if there was anything else to marry!

Oh him? He's the new roomer, rented the closet!

HUMOR ME

Little Johnny rushing home from school dashes into house: "Ma! Ma! The teacher bent over and one of her lungs fell out!"

★ ★ ★ ★

Little boy looking through knothole in fence at nudist colony: "Look at all those naked people!"

LITTLE GIRL: Are they men or women?

LITTLE BOY: I can't tell, they have no clothes on!

★ ★ ★ ★

It was in a little country school. The teacher was quite annoyed at Tommy's arriving late that morning, and sternly asked" Why are you late?"

"I had to bring the bull over to the cow this morning," he said.

"Oh, yes? Now why couldn't your father have done that?"

"Sorry, ma'am, he couldn't. You see, you've got to have a bull."

I just paid the last installment on my note today, sir—*Now* may I have my wife back?

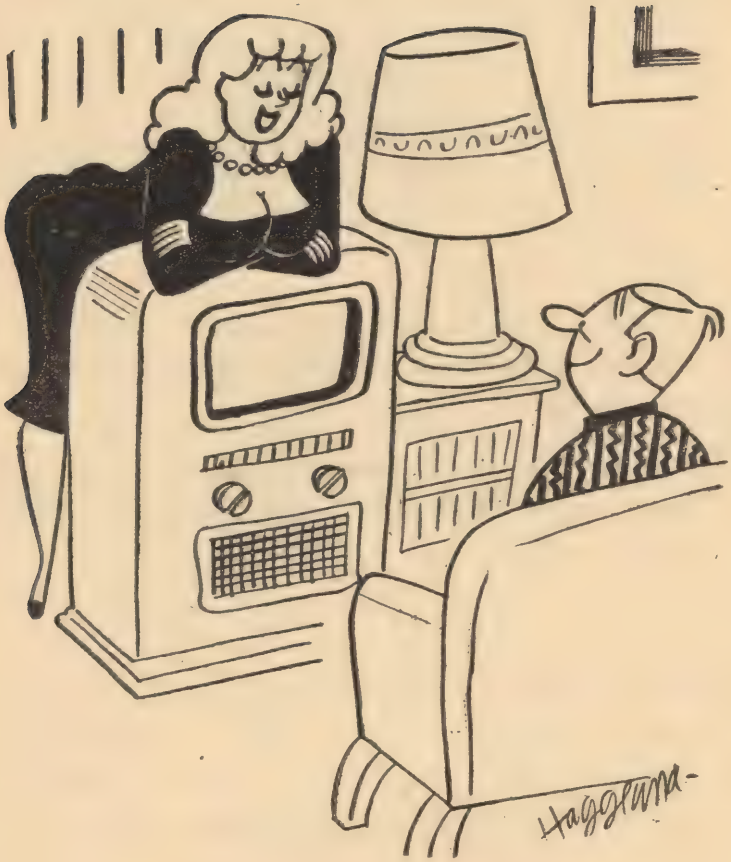
JACK TYPPELL

You're right, Miss, a ring around the finger helps your memory much more than a dirty old string!

I hate to spoil this!

Sis, have you seen my boxing gloves?

How you two can play ping pong with the light bulb burned out beats me!



I'm very proud of my set!

LAUGH AND LET LAUGH

I had a terrible dream last night. I dreamed that my wife and Marilyn Monroe fought over me and my wife won.

★ ★ ★ ★

If you want to see flying saucers, walk up to a waitress with a fishing pole in your hands.

★ ★ ★ ★

"How can I ever show my appreciation?" gushed Hatty Broadtail to the lawyer who had just won a million-dollar case for her.

The barrister looked up at her and said, "Miss, ever since money was invented there has been only one answer to that question."

★ ★ ★ ★

The main attraction at a movie was one of those torrid love pictures with a sultry heroine. One mother made the sad mistake of taking her little son to the show. At the end of one of the terrific clinches when all was silence in the darkened theatre a little voice piped up, "Ma, is now when he puts the pollen on her?"

Tell me when I've had enough, Mr. Formsby!

Says she doesn't like to get her knees sunburned!

Wonder if that's his common or preferred stock?

I see what you mean when you said you're holding me for observation!

We'll have to be on our own from here on Mrs. Gatswell!

See! It's a double breasted jackdaw perched right over that sunbather's head!

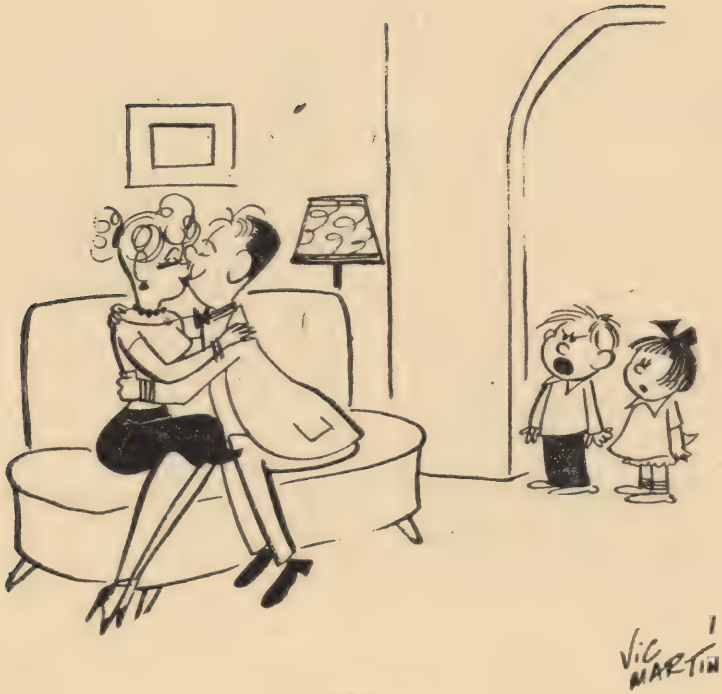
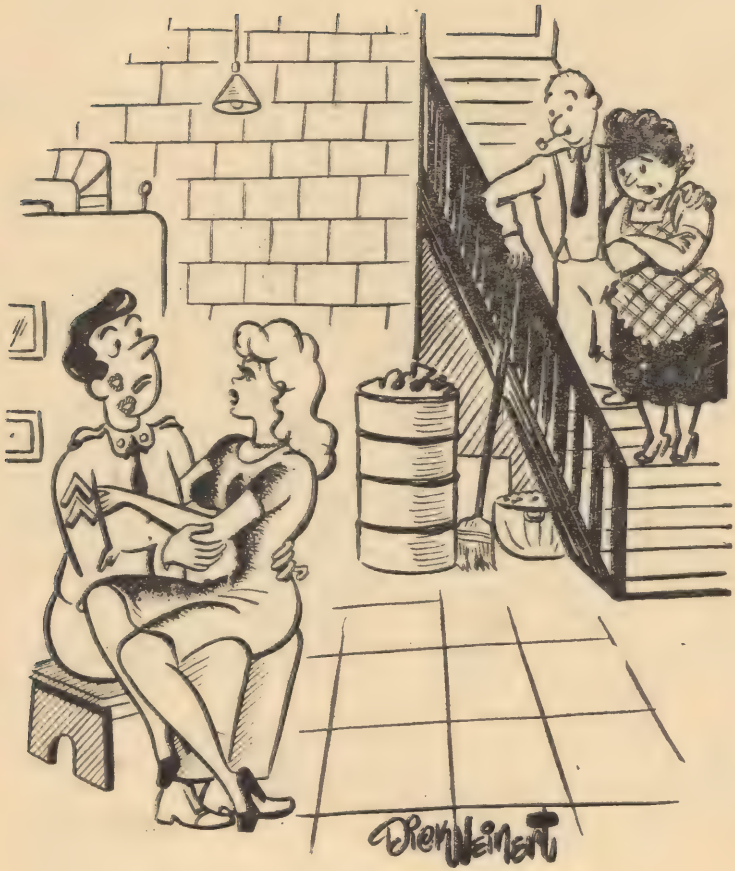
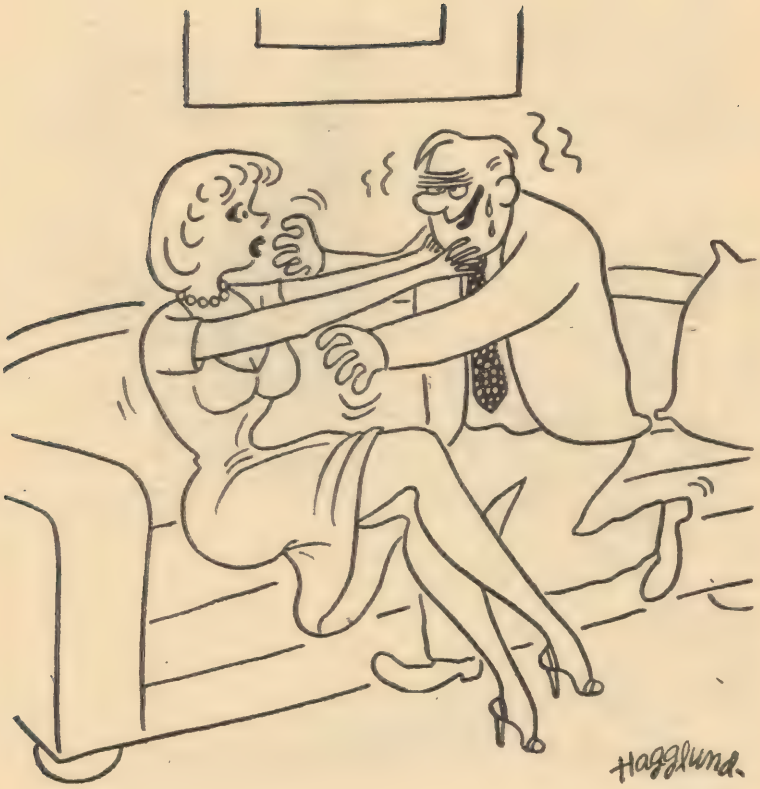
Sorry, dear, I just lost you too!



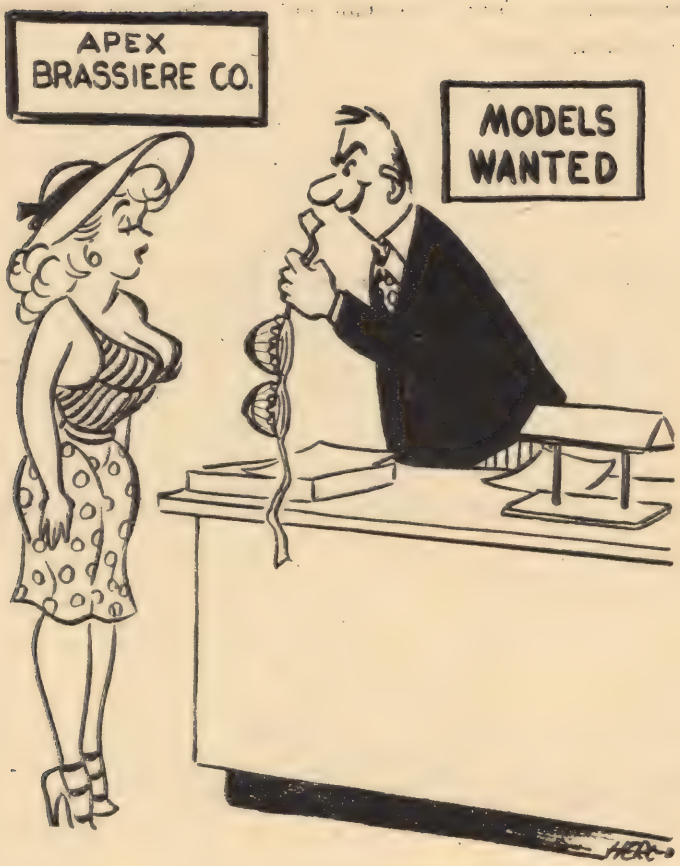
And to think we paid 17c each to see the same thing at the Bijou last night!



Oh, Johnny, just one week's furlough and you're already tired of us?



This is not the time to ask my intentions—can't you see I'm out of control!



Now then, if you'll just fill out this application form. . .

WHAT'S COOKIN'

Nowadays a young wife can put together the best meal you ever thaw.

★ ★ ★ ★

A sharp tongue invites a split lip.

★ ★ ★ ★

Nothing could cook a man's goose quicker than a red hot temper.

★ ★ ★ ★

In darkest Africa, so the story goes, a group of cannibals were about to make a meal of a missionary when they noticed a scar on one hand. Making the best of the situation the missionary at once exclaimed "See, I am not edible. The chief at the last tribe I visited tried not long ago."

I could do more with money in the bank than I could with the shirt off your back!

Which way is my hotel . . . the St. James, Room 318?

I'll call later when your husband is in, I know he'll be interested!

You heard me! Scram, take a powder, hit the road!

It certainly took you long enough to put the cat out!

MORE RHYME THAN REASON

The old patriarchs lived merry lives
With song and wine and many wives
But when old age left them no balm
They took pen in hand and with many qualms
They wrote the proverbs and the Psalms

★ ★ ★ ★

Little Willie with a hoot
Fell in the fire and burned to soot.
But the house soon grew chilly
For no one liked to poke up Willie

★ ★ ★ ★

It is wise to make the news
By filling a famous father's shoes
But a girl could do much better
If she fills her mother's sweater.

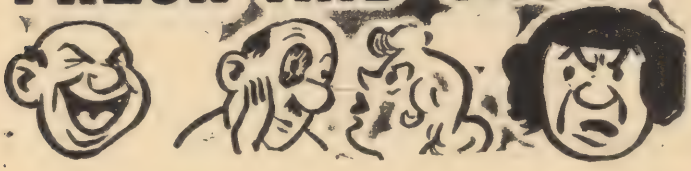
FRESH AND SASSY



Girl in elevator to man who just entered escorted by wife. HELLO, HONEY!

WIFE: Who is that?

HUSBAND: Leave me alone . . . I'll have a difficult enough time explaining you to her tomorrow.

★ ★ ★ ★

The Indian is not the only one who sleeps with a battle-axe by his side.

★ ★ ★ ★

HE: Did you hear about Mrs. Van Dermoon? She's having trouble with her chauffeur.

SHE: Does he object to his salary?

HE: No, he objects to her husband.

★ ★ ★ ★

BILL: Look! Here comes my wife and my mistress walking arm in arm.

PHIL: You took the words right out of my mouth.

★ ★ ★ ★

SUSIE: My boyfriend was transferred out of the submarine fleet. He liked to sleep with the windows open.
